Who

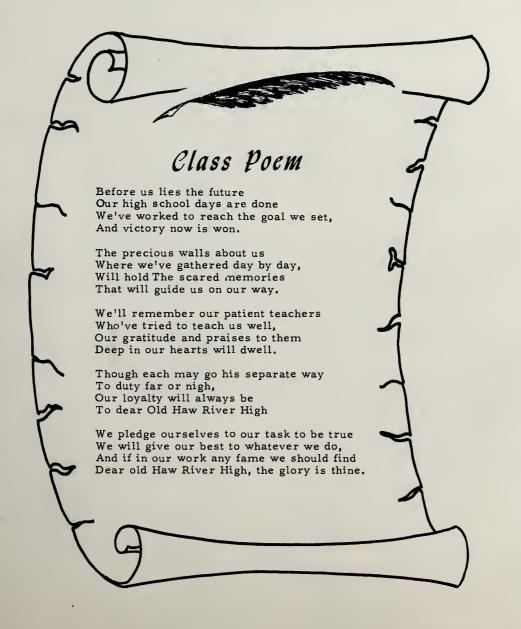

Oh, Seniors dear, It's been four years, Since we as freshmen Gathered here. The problems many, We have solved, But many more, Still lie ahead. Let's drop a bouquet
For each guiding hand,
They have done their job;
Now let's do ours.
And to the principal
And the entire school board,
We leave to you
Our solemn word.

Chorus

We now go farth, as never before, To do our best, as only we can. And never falter, whatever the task, For parents and teachers are counting on us.

## Class History

Four years ago we walked into Haw River High School as "green freshmen". There were thirty-seven of us. We couldn't get use to the idea of being in high school, but with the help of our capable teachers we made it.

At the beginning of our Sophomore year, there were only thirty-one of us left. Under the direction of Mr. Faust, we gave a Christmas Prom, "Frosty's Ball", which was held in the gym. We were very proud of it.

In our Junior year, there were twenty-three of us left to continue the journey to our Senior year. That year we sponsored the Junior-Senior Banquet with the help of Miss Stadler, our teacher. We also gave the Junior Play "The Ghost Walks", which we felt was a success. Then we received our gleaming gold class rings which we wore with pride.

Now we are finally Seniors. There are only twenty-one of us who will graduate this spring. This year has been filled with excitement; we partiscipated in such things as Senior Play, "Who Killed Aunt Caroline", the Junior-Senior Banquet where we were the guests of honor, and our Washington-New York trip which was very thrilling.

Soon we, dressed in our caps and gowns, will be walking down the aisle to the music of "Pomp and Circumstance" to receive our diplomas. With great pride and dignity we leave our beloved High School to go our separate ways.

## Class Prophecy

Last Christmas Eve, as I sat before the fireplace watching the fire die down, it reminded me how the members of every Senior Class promised never to forget to keep in contact with each other. It was then that I realized that just as the fire had died down so many of my classmates, so I decided to do some research.

Although it has taken me until this spring to finish my research, I have found out something about each of them. I know that you, too, will want to hear what I have learned.

Peggy Ray is a happily married housewife living on a farm rearing two little farmers.

Gerri Laster is happily married and is living in New York where she is secretary to her husband who is a successful lawyer.

LaVerne Trollinger is an English Professor at the University of California; she married the Dean of the College.

Janice Tripp has finally reached that long awaited goal. She is the physical education director at the University of Florida.

Sally Beckwith finally landed that Air Force Lieutenant and is living in Germany. She is rearing a little Lieutenant.

Pat Turner is now a private secretary for her husband who is top executive at Western Electric.

Bobby Allen now has a chain of Allen's Drive-Inn's all over the south; he is doing very well I hear.

Jane Martindale is living in Mebane, very happily married and is helping her

husband who now owns Kingsdown.

Mike Clayton and Katherine finally tied the knot and have little children. Mike has a winning football team at State College; his boys haven't lost a game in three years.

Judy Chatman is happily married and her husband has a chain of Wynn's Food Stores. He got his training at Duncan's Food Store in Mebane.

Kathy Clark landed an office job and takes dictation from her bosses lap.

Benny Jones is now playing football for the Washington Redskins.

Jerry Moore is a registered pharmacist. He is doing very well in a large drugstore in Haw River.

Nancy Williamson has finally finished college and is now teaching algebra at Durham High School.

David Chatman is co-owner of Trailways; his other co-owner is Jimmy Marks.

Paul Coffin is doing very well with his Texaco Service Stations. He has them all over North Carolina.

Charlie Bosquet is in the Air Force. He is a happily married Sergant, living in sunny California.

Roger Jones is a happily married man, and he is a very successful businessman.

Vernon Cheek is now manager for the Colonial Store in Graham.

As for myself, I am happily married living in Miami, Florida; my husband is manager of Sears, Roebuck and Company.

REVELL MORRISON Assistant Coach

This year we are pleased to have with us "COACH ART CLARR" and "ASSISTANT COACH REVELL MORRISON".

Coach Clarr has been with us for four years while Coach Morrison has just joined our "INDIANS" this year. They were successful in coaching our boys through a terrific football season, ending with a nine to one record. Now they are patiently coaching us throughour basketball season and we are looking forward to having them with us during our softball and baseball season.

We are continously proud of these men which are striving for better teams and a better school spirit.

## Football

Our first game of the season was with Gibsonville, a strong team from Guilford County, in which we won 26 to 14. Benny Jones scored three touchdowns, and Mike Clayton ran the other one, which gave us all our points.

The record game of the season was with Ossipee in which we won 22 to 0. Red Hughes was a standout in that game.

Yancyville was our third game of the season and they had a very good team, but we came out on top in that game by 16 to 6. Paul Coffin and Richard Ray played outstandingly in that game.

Siler City was our fourth game of the season. In that game there were a lot of penalties but we won 7 to 0. J. D. Coble and John Long were outstanding.

The fifth game of the season was with E. M. Holt in which we won 30 to 7. We were fired up for the game very much, because we wanted revenge from the past year, in which they beat us. Charlie Bosquet was the outstanding player in that game.

The sixth game was with Alexander Wilson in which we topped them for an easy win. Billy Boggs and Jimmy Stout lead the way in that game. The final score was 52 to 0.

The last four ended with three wins and one loss.

Our seventh game of the season was with Mebane in which we lost 19-9. Bobby Allen and Ed Riddle were outstanding that night.

The eighth game was with Helena in which we won 52-12. The second string played a good game that night.

The ninth game was with Bethal Hill, they were fired up very much for the game, but we came out on top 18-6. Elmo Tew was in very good form that night.

The last game of the season was with Granite Quarry. It was a hard fight all the way but we came out on top with a 13-7 score. The Seniors played very good that night.
